- Day 1** CEAD MILE FAILTE
As the saying goes - "One Hundred Thousand Welcomes" and so we welcome you to Ireland.
- Day 2** HIGHLIGHTS OF KILLARNEY
The perfect introduction to Killarney National Park! From Ross Castle, travel by motorboat across Loch Lein to Dinis Cottage. A footpath leads around the north side of Muckross Lake to Muckross House where you will have free time to explore. The final leg of the walk takes us right to Torc Waterfall. (Light, 7 km)
- Day 3** BLACK VALLEY & THE GAP OF DUNLOE
The Gap of Dunloe is a narrow mountain pass between the MacGillycuddy Reeks and the Purple Mountains. It has a chain of 5 small lakes running through it and waterfalls can be seen all around! (Moderate, 15 km)
- Day 4** DAY OF LEISURE OR PRIVATE TOUR OF DINGLE PENINSULA
You are totally free to do whatever you wish today, but note that your guide will organize a private group tour of the famed Dingle Peninsula for any interested guests - just for our group with our own private bus and driver! This is an optional tour and more information on pricing, scheduling and so forth will be forthcoming once we get closer to our trip date.
- Day 5** TOMIES WOOD & O'SULLIVAN'S CASCADE
Without question one of the finest walks in Kerry, Toomies Wood is a beautiful loop walk through oak woodlands along the slopes of Tomies Mountain. Set on the shores of Lough Leane, the Wood is home to the enchanting O'Sullivan's Cascade - a hidden gem! From various vantage points along the trail we see Ross Castle and Killarney town. Our hike concludes at the opulent 5-Star Dunloe Hotel & Gardens with a celebratory drink - wait until you see the lobby! ((Moderate, 10.5 km)
- Day 6** THE WINDY GAP
The small town of Glenbeigh is the start of a beautiful hike that takes in some of the most breathtaking scenery in the entire region. As we zig-zag our way up towards the Gap, we see the Dingle Peninsula on the other side of the Bay. The views only get better as Lake Caragh comes into sight as does Carruntuohil Mountain (Ireland's highest at 3460ft). (Moderate, 11km)
- Day 7** TRANSFER TO DUBLIN
Bus transfer to Dublin, stopping for lunch in Adare.
- Day 8** GLENDALOUGH
Today's hike will lead us through some of the most spectacular scenery in Co. Wicklow. From the Glendalough Visitor Centre, past one of Ireland's premier monastic sites and Poulannass Waterfall to the boardwalk skirting the clifftops around the Lake. (Moderate-challenging, 12 km)
- Day 9** LEISURE DAY TO EXPLORE DUBLIN
This is your free day to explore one of Europe's most charming and historic cities. There's so much to take in, from the Guinness Factory Tour, to Dublin Castle, from Trinity Castle to countless museums. The great thing about Dublin is that it is a very compact and walkable

city, especially with our hotel being only a 20 minute walk from the centre of town.

Day 10

HOWTH HEAD

Promenade along Howth harbour before climbing away from the village around the nose of Howth Head and onto the clifftops. From here, there are stunning views of both Lambay Island and Ireland's Eye, as we approach the historic Bailey Lighthouse. Our cliff walk continues through the Boggs of Frogs(!), concluding at Howth's local pub - how convenient! (Moderate, 12 km)
